

ODP 498-77  
17 March 1977

MEMORANDUM FOR: Associate Deputy Director for Administration  
FROM : Clifford D. May, Jr.  
Director of Data Processing  
SUBJECT : ODP Conference 18-23 March 1977

1. Attached is a copy of our Agenda for the first ODP Office-wide Conference, for your information. Please excuse my oversight in not sending you one earlier. You raised the question of whether the topic of EEO would be addressed at our Conference. As you can see, we have one-half day devoted to the subjects of career service and personnel management. We consider providing equal employment opportunity an integral part of our personnel policy and management in ODP. Each of our panels has been asked address the question of equal treatment of all employees in the MZ Career Sub-Group as part of their discussion. I do not believe we have a problem in this area. But if we do, I think addressing it among ourselves in working panels will be more productive and generate more workable solutions than having a guest speaker address the subject of EEO.

2. If there is any particular area that you or Mr. [REDACTED] believe we should be certain to cover, please let me know and I will pass it on to our panels.
